Copyright Transfer and Author Declaration Form

Manuscript Title: _____

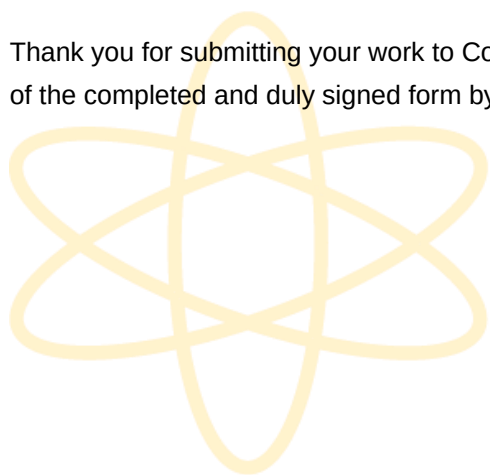

1. I/We, the undersigned author(s), hereby irrevocably transfer, assign, and convey to Cosmo Research & Science International Journal and its successors and assigns, all copyright, including any and all rights incidental thereto, in the manuscript titled above, in all forms and media, throughout the world, in perpetuity.
2. I/We understand and agree that the Editor-in-Chief of Cosmo Research and Science International Journal may, at their sole discretion, transfer these copyright rights to a designated publisher or publishing partner.
3. I/We acknowledge that this transfer includes the right to publish, reproduce, distribute, display, perform, license, and archive the manuscript in any medium (print, electronic, or other) and to authorize others to do the same.
4. Patent and trademark rights and rights to any process or procedure described in the article. The right to use all or part of the article in future works of their own, such as lectures, press releases, reviews, textbooks, and derivative works, provided full acknowledgment of the original publication in Cosmo Research and Science International Journal is given.
5. For any republication of the whole, part, or parts thereof, in periodicals or reprint publications by a third party, explicit written permission must be obtained from the Editor-in-Chief of Cosmo Research and Science International Journal.
6. I/We hereby declare that the manuscript submitted is our original work and has not been previously published in any form, in whole or in part, in English or any other language, nor is it currently under consideration for publication elsewhere.
7. I/We confirm that all co-authors have reviewed and approved the final version of the manuscript and agree to its submission to Cosmo Research and Science International Journal. Each author has made a significant contribution to the conception, design, execution, or interpretation of the research or to the writing of the manuscript.
8. I/We declare that the manuscript does not contain or include material taken from other copyrighted sources without proper authorization. Wherever material from other sources has been used, it has been appropriately cited, identified by quotation marks (where applicable), and due and proper acknowledgments have been given. I/We confirm that we have obtained all necessary permissions for the reproduction of any copyrighted material (e.g., figures, tables, text excerpts) from other sources.
9. I/We affirm that all research reported in the manuscript was conducted in accordance with ethical guidelines and regulations, including obtaining necessary institutional review board (IRB) or ethical committee approvals where applicable, and ensuring informed consent from human participants and humane treatment of animal subjects.
10. I/We confirm that there are no conflicts of interest (financial, personal, or other) that could be perceived to influence the objectivity of the research or its findings. Any potential conflicts of interest have been fully disclosed in the manuscript.
11. I/We have thoroughly proof read the submitted manuscript and confirm its conformity with the "Instructions for Authors" provided by Cosmo Research and Science International Journal.
12. I/We understand that if any instance of plagiarism, fabrication, falsification, or other research misconduct is found in the manuscript after submission or publication, I/We, the author(s), shall be solely and fully responsible, and Cosmo

Research and Science International Journal, its editorial board, or its publisher shall not be held liable. In such cases, the journal reserves the right to retract the publication and take appropriate action.

13. I/We agree to cooperate with the Editor-in-Chief in any requests for data, original sources, or ethical approvals related to the manuscript.
